

Morocco Road Tour 2017

A big thankyou to the Moto Aventures team for yet another extremely successful tour that will be etched into our memories forever

Morocco was presented to us as a friendly and safe country, steeped in history and so diverse in many ways.

Each day was full of wonderful surprises, the people, the food, the incredible scenery, unbelievable mountain roads, the bikes, the fair group, the accommodation and overall planning were all outstanding.

Highly recommended to anyone who rides.
